

Kilmichael hurling teams won 2 county finals in August with many of our past pupils involved. Both trophies came to our school in September.

Ms. Aoife McNulty joined the staff of Tirelton NS in September. She taught for the past number of years in Togher NS. She has made a great impression on our school in the short period of time and has contributed no end in many areas.

Building

The building of our fourth classroom is proceeding. We had hoped it would be completed for Christmas, however, problems with the foundations set us back and delayed the construction. These problems have now been rectified and we are hoping the weather will allow us to complete the project soon after the Christmas holidays.

Hi Viz Jackets

On 5th October, Numico visited the school and presented all the children with Hi Viz Jackets, accompanied by Michael Murray. They spoke on the need of care on the road during the winter months. The jackets they presented are of great use in the promotion of the schools road safety policy.

Sciath na Scol

Tirelton were placed in Group 8 of the County Sciath na Scol Football competition this Autumn. We defeated Inchigeela, Coolea and Kilbonane but were defeated by Rusheen, Aghabullogue, Ballyvongane and Clondrohid. All the games were very close and a lot of our young players gained valuable experience. We look forward to the 3rd and 4th class Indoor hurling competitions in the Spring and to the county hurling championship after Easter.

Trip to Farran Wood

To celebrate National Tree Day on 6th October all children visited Farran Wood.
