

## Tirelton National School Indoor Camogie!

Tirelton National School had a very significant first recently when the girls from 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> classes took part in the Sciath na Scol Indoor Camogie competitions for the first time. Initially it was envisioned that they would only participate in the 3<sup>rd</sup> Class tournament but such was the enjoyment and excitement derived from the games that all the girls requested entry to the 4<sup>th</sup> Class competition as well. Playing schools from Coachford, Newcestown, Berrings, Minane Bridge and Cloghduv was a great experience and some of the more established camogie schools were amazed at the girls' skill, courage and determination. The girls trained every week

after school under the expert eye of Ms. McCarthy, Ms. Davis and Nora Buckley and it certainly paid off. At the end of the competitions all the girls could talk about was 'next year' and 'improving' Maith sibh a chailín!
