Easter 2015

Credit Union Quiz - All Ireland Final on Sunday, 12th April.

Our Under 11 Credit Union Quiz team made history this year. They were the first team ever from the school to win the Macroom Area Final. This fantastic performance qualified them for the Chapter Final in Mallow. Amid scenes of incredible tension, Abigail, Brigín, Christopher and Tadhg held their heads and won through to the All-Ireland Final in the RDS, Dublin on April 12th. And, you'd just never know.....

Indoor Camogie

The girls from 3rd and 4th Class became the first camogie team from the school to qualify for a county final. In the Cloghduv Tournament they defeated Firmount and Stuake to qualify for a final with near neighbours Canovee. This was a thriller with our girls coming out on top on a score line of 3-2. This led to the County Finals in Na Piarsaigh. On the day our girls again performed superbly and, but for a couple of unlucky breaks would have been victorious. Nonetheless a great achievement and something really positive to build on for the future!

Getting ready for Easter!

**HAPPY
EASTER**

Active Week 9th - 13th February

Everyone enjoyed a variety of activities in school and further activity at home for Active Homework. Other Active Flag initiatives continue - station games on Monday and Friday; Fruit and Veg Friday and upcoming football and hurling games and inter-school basketball competition and Walk on Wednesday.

West Muskerry Indoor Hurling Blitz!

Our boys and girls from 5th and 6th Classes took part in the Sciath na Scol West Muskerry Indoor Blitz in Cloghduv. It was a non-competitive tournament. Our team played really well and everyone enjoyed the day.

Swimming 2015!

Children from 1st Class to 6th Class completed their swimming lessons on Tuesday, 24th March in Dunmanway swimming pool.

Tree planting for Tree week in school grounds and in local cemetery.

Zumba!

Zumba Instructor Frank Sheerin spent six weeks in the school giving Zumba Classes to all the children (and teachers too). It was a thoroughly enjoyable experience dancing to 'Blame it on the Boogie', 'Chihuahua' and 'Dynamite' among others.

Pancake Tuesday!

Engineers Week

Children recently had a very enjoyable Engineers Week. As part of the Discover Primary Science Award children took part in team construction projects, the fruits of which have been on display and admired both by children and visitors to school alike. Engineer Mick O'Donovan also visited and spoke to 4th, 5th and 6th classes about the life and work of an engineer. All in all, a great success.

Doodle for Google - Successful entry!
