

### 6th Class 2010!

We wish all the 6th class well as they leave Tirelton NS.

Ann Beechinor visited the school 25th May. She is an Arts Facilitator with the School Development Planning Support Scheme. She spent the day working with the children on construction using paper. Everyone enjoyed the day and some of the creations may be seen on the website - [www.tireltonns.ie](http://www.tireltonns.ie)

### Life Time Lab

On Tuesday, 1st June children from 4th, 5th and 6th classes visited the Lifetime Lab in Cork. There they spent the day experimenting, investigating and discovering, focusing in particular on geology and rock types in Cork. A great day was had by all.

### New Entrants

We have 16 Junior Infants enrolled for this September. They came to school for a half day on Friday, 18th June to get the feel of the school.

We say thank you to Mr. Nolan for all his work and help during the year. He has contributed a great deal to our school.

School is reopening on Monday, 30th August, 2010.

## Nuacht ó Scoil Tír Eiltín

Summer 2010

Established 1887

[www.tireltonns.ie](http://www.tireltonns.ie)

Our School Tour took place to Glen Resource Centre, Cork on Wednesday, 19th May. A great day was enjoyed by all the children!

### First Holy Communion

Eight children celebrated their First Holy Communion in Toames on 8th May. Everyone had a great day and the children were super. Great thanks is due to Mr. Nolan who had the children superbly prepared and to the parents who organised the cuppa after.

### Hurling

Our Sciath na Scol hurlers took their competition down to the last game. We had won four and lost two and needed to beat Shanagarry to force a playoff. On the day, however, even though we had the majority of possession, we just couldn't get the scores and ended up going out. Overall we performed very well and lost nothing in defeat.

### School garden

Our school garden continues to grow and develop. All the children have played their part in this development whether it be weeding, planting, painting, cleaning and watering. The garden certainly adds a great deal to the school and even more so when the children are the main gardeners.

### Grass cutting

Many thanks to **John Joe Kelleher** for cutting the grass in the school field during the year.

### Football Blitz

The West Muskerry Sciath na Scol Football Blitz took place recently in Annahala. Tirelton, Dromleigh, Kilbarry and Inchigeelagh took part both in boys and girls football. After a lapse of eleven years, Tirelton

boys won the competition defeating Kilbarry in the final. The girls also performed very well but went out at the semi-final stage.

### Cork Sports

The Cork City Primary School Sports took place on Wednesday 23rd June in Pairc Ui Chaoimh. Over forty pupils participated and many

brought home trophies, including the best overall trophy for the boys in their section. Well done to all!
