

Football Blitz

All children from 1st to 6th classes recently took part in two football blitzes. First up were Ms. McCarthy's room that played in Annahalla. All the children participated and really enjoyed the morning. On June 23rd the children from 4th to 6th took part in the Muskerry Sciath Na Scol competition in Inchegeelagh. Fortunately the weather was good and a great day was had by all. The girls' team lost to Inchegeelagh but defeated Dromleigh to qualify for the final against Inchegeelagh. In a tremendous contest only a late score denied the girls victory but their performance all through was superb. The boys, on the other hand, had no such worries in their competition. Having overcome Inchegeelagh and Dromleigh they faced Inchegeelagh again in the final. Displaying great skill and energy they beat Inchegeelagh comprehensively to complete a two-in-a-row. A great day was had by all.

Building

We are hoping to commence building works on our extra classroom in early July. Funding has been granted and we are going through the necessary planning procedures. It is hoped the classroom will be completed in time for the re-opening of school on August 30th.

New Entrants

We have 6 Junior Infants enrolled for this September. They came to school for a half day on Friday, 17th June to get the feel of the school.

Sciath na Scol Hurling Final

Fortune did not favour the boys and girls of the schools hurling team in their recent Sciath Na Scol hurling final in Páirc Ui Chaoimh. The opponents, Castlemartyr NS were just too big and too good on the day. As always, the team played with great spirit, courage and skill and kept fighting until the final whistle. The great thing was, every member of the panel got to actually play in the match and hopefully some of them will return to play in this famous stadium again before too long. The support and sense of community generated by the occasion was truly brilliant and the only place the school lost was on the scoreboard. Everywhere else was a win.

White Boards.

After many months of research, the school has installed Interactive Whiteboards in the school. These boards can be worked by mouse, pen and finger touch. Laptops were also purchased and we also got a visualiser as part of the deal. These boards will enhance the learning experience of all children and bring a new dimension to our school.

6th class of 2011!

We wish all the 6th class well as they leave Tirelton NS.

Science
