## Tirelton NS Parents' Association

We have a very active hard working Parents' Association that have organised many events over the past year including a Christmas Movie Night in December. Then in January/February a Used Clothes collection took place which raised €560. On Sunday, 28th April the whole community took part in a Fun Walk/Run at the Kilmichael GAA Grounds, Annahala and the Gearagh. This was followed by refreshments in the clubrooms and a raffle. A total of €2,762 was raised from this event.

A huge 'Thank You' to Fire Duct Systems who sponsored a new set of school jerseys to our school. These will be used for many years at all sporting events.

The officers of our Parents' Association are Chairperson Caroline Giltinan; Secretary Sheila McGovern; Treasurer Rina O'Brien. Additional members are Aisling O'Driscoll, Emma O'Leary and Lorna Hynes. Board of Management Parents Representatives are Thérèse Corkery and Adrian Kelly. Thank you to all involved over the past year.
